

FIST OF THE FLEET ASSOCIATION, INC.

Request for Educational Grant

Any enlisted person or officer, who completes a course with a grade of "C" or better while attached to VFA-25, may request an educational grant. The Association will award grants based on available funds. Proof of course completion and grade awarded is requested and must be legible. This proof may be a school document signed by a school official or a copy of the Navy Academic Institution Courses form. Education grants are intended to reimburse the squadron member for the cost of books, required course material, and shipping (proof of course requirement for materials and for all purchases is required).
